

It's the sixth year for the Show-Me Tractor Cruise on June 28th. Plan to join us this year for a fun-filled day where you can enjoy the company of other tractor lovers and benefit Camp Quality of Northwest Missouri, a summer camp and year-round support program for children with cancer.

For a child with cancer, a "holiday of a lifetime" is what Camp Quality of Northwest Missouri offers. None of us can do anything about the QUANTITY of life, but all of us can do something about the QUALITY. Camp Quality is the oldest camp of its nature in the nation, helping up to 115 children each year. The Show-Me Tractor Cruise has helped Camp Quality of Northwest Missouri continue to work with children and their families not only the week of camp, but throughout the year.

Why participate? Individually, we may not be able to make a huge difference. By participating in the Show-Me Tractor Cruise, you're part of a group effort that has made a significant impact for Camp Quality of Northwest Missouri. Through the efforts of drivers, community members, businesses, sponsors and others, the Show-Me Tractor Cruise raised more than \$51,500 for Camp Quality of Northwest Missouri last year.

The host site for the 2008 Show-Me Tractor Cruise is Derr Equipment, the Case-IH dealership outside Savannah, Missouri. Our route takes us from Derr's into the countryside, passing through Rosendale, then heads toward the historic Krug Park in St. Joseph for lunch. In the afternoon, we'll drive a portion of St. Joseph's Parkway (celebrating its 90th Anniversary) before returning to the countryside and heading back to Derr Equipment to end our day. The route, a great combination of the countryside and historic St. Joseph, is a little shorter than last year and allows a generous amount of time for breaks and lunch so drivers can visit, look at other tractors and enjoy the day.

Registration for the 2007 Tractor Cruise remains \$30. This fee includes supper at the end of the ride for you and a guest, a driver T-shirt, liability insurance and other costs incurred putting the ride together. Please fill out the enclosed registration form and return it to us as soon as possible. This helps us with advanced planning and coordination of the ride. The deadline for this year's drive is June 1st, but applications are given priority in the order they are received.

You may also order lunches for yourself, buddy seat rider and family members and friends. A separate form for lunch orders is also enclosed. Please return this lunch order form with your registration information. Lunches must be ordered in advance.

Each driver is challenged to collect at least \$100 in donations, but we're hoping you'll consider working even harder this year for our 6th anniversary ride. Oprah Winfrey's reality show on ABC, Oprah's Big Give, has pledged \$10,000 to match the first \$10,000 raised by drivers in the Show-Me Tractor Cruise. We hope this extra incentive will encourage you to work even harder collecting donations. It's these donations that are the most important part of the Show-Me Tractor Cruise and we hope you'll take the opportunity to challenge yourself to help surpass last year's amount that was raised. While the cruise is a lot of fun, raising money to benefit Camp Quality is what our drive is all about. Working together, these individual amounts can turn into a 'Big Give' to Camp Quality. We've enclosed a pledge form to help you solicit this year's donations.

The Show-Me Tractor Cruise has grown each year, and we're anticipating this 6th anniversary ride to continue that tradition. Last year, drivers from 11 states were represented on the Cruise and we're expecting tractor owners from a wide area to join us again this year. If you need hotel accommodations, we encourage participants to make hotel reservations *now*. Hotels in St. Joseph include:

Stoney Creek	(816) 901-9600	Drury Inn	(816) 364-4700
Ramada Inn	(816) 233-6192	Hampton Inn	(816) 390-9300
Holiday Inn	(816) 279-8000	Days Inn	(816) 279-1671
Super 8	(816) 364-3031	Motel 6	(816) 232-2311

*Camping is available in the area or at Derr Equipment.
